All three fun-filled days will include instrument, singing and dancing classes plus a stage performance class. The Kids Music Camp will conclude on Sunday with a festival main stage performance where the Kids Music Campers are the stars! Each camp registrant will sign up for one of the following classes:

We will put you in groups appropriate to your level of experience. You will learn something and have fun no matter what your level. Everyone is welcome! Confirmed registrants will receive detailed information about the music camp, what to bring, etc. Registration includes printed instructional materials and a certificate of completion. Instruments are available for kids who need them - just check the box in the registration form to apply. A BMSCC board member will contact you for further information and details.
